International Credit Union Day has been celebrated internationally since 1948 to recognize the spirit of the global credit union movement. This year's theme, "Empower your financial future with a credit union," holds great meaning to Integra First. Credit unions are built on the principle to provide lower cost financial solutions through people helping people. At Integra First, our motto is, "Enhancing lives... one member at a time."

Stop by anytime during credit union week 10/17 - 10/21 to enter for a chance to win a prize. Winners will be selected 10/24/22.
